Our first season is complete - and what a season it was.

We had two fantastic knockout competitions (the Community Shield and the Legacy Cup) which brought the crowds to Masakhane in Gansbaai.

Our first League Champions have been crowned and Zama Zama FC also took the double by winning League and Legacy Cup.

This issue we will be focusing on the League Champions crowning as well as the Legacy Cup. We will look at the newly instituted Love, Care & Share program.

We will add our calendar to this edition so you can see what we are planning for the upcoming 2024/25 season.

The AVS Referee Academy will be hosting a few referee training workshops around the Region during the off season.

We will continue to improve and make a positive impact in the Region.

We also welcome Boiling Point Studios as partner with Blue Ocean and we look forward to working together.

See you all soon.

The crowning of the inaugural Community Football Federation League Champions for the 2024 season took place at Masakhane on Saturday 3 August 2024.

Being the last match of the season for Zama Zama FC, they had clinched the title two weeks prior already.

However, they were facing Gladiators FC in the final showdown and they came out all guns blazing to show their supporters what they were all about.

They simply took center stage and overpowered Gladiators FC by 6-0. They absolutely dominated their opposition, revealing their prowess and their status as League Champions.

They then proceeded to receive their medals, their trophies, their celebratory champagne and the winner's cheque for R15 000-00.

Legacy Cup
FINAL
10 August 2024

On Saturday 10 August 2024, the Legacy Cup Final took place in Masakhane in very windy and overcast conditions. Zama Zama FC would host Gladiators FC. Although they played the week before, Gladiators FC were much better prepared than before and it showed. They were competitive from the first whistle.

The first half was a tense struggle between the heavyweights. Every move was countered and every sniping run, checked by a defender.

The first half ended 1-1 with Mthimkulu Booi (Zama Zama FC) and Liyema Jovane (Gladiators FC) netting the goals.

The CFF was privileged to host Councillor Ronald Nutt from Overstrand Municipality at the start of the Legacy Cup Final.

The Councillor could see the positive impact the CFF has on the community and the joy it brings to the supporters.

He was also very pleased with the Love, Care & Share program of the CFF.

The second half was as thrilling and exciting as the first. Counter punching and counter attacking was full on display.

The final punch was landed by Zama Zama FC when Sibabalwe Magqwetha found the back of the net to make it 2-1. The scoreline remained as such until the final whistle.

Liyema Jovane of Gladiators FC was adjudicated as the man of the match.

Zama Zama FC received their trophy and medals; celebratory champagne and R7000 prizemoney.

SINOXOLO LUBENI

When, where and how did Zama Zama FC start?

It was formed by Mr. Lubeni who is my uncle, with his close friend Mr. Magqweta, and other four founding members. It was established in 1994 because there was a need for more clubs in Masakhane at that time. It was formed by players who were from our village. Zama Zama birth parent is Overberg FC

What does it mean to be crowned League Champions?

It is a dream come true. Our motto is "Best Team". We believe so much in

in our team and the 2024 season has made our dream of being a champion come true. We are very honored and humbled by being the first CFF Champions.

What is Zama Zama FC's goal for the next 5 years?

Our 5 year goal is to grow the team to an Academy where we will have different age groups and develop them into bright future soccer players. We want to have more to have full development of our players and hopefully

Zama Zama FC won the League and Legacy Cup in the 2024 season.

In discussion with...

we will have a professional player one day that is produced by Zama Zama FC.

What can we expect from Zama Zama FC in the upcoming season?

We want to create a good team that will dominate the CFF league and bring more trophies home.

We don't expect it to be an easy league as we learnt from the past season. It was very difficult each and every team was top-notch. We want to grow and become better team.
