The CFF knows that football belongs to the people and not to an organization or individual.

The best you can do for people and football, is to humble and serve it as best you can.

If you can see how football brings people together, you can see the positive impact it can bring your community.

We are now on the annual festive break where families are reunited from across the country. Our roads are then busier than usual; our wallets emptier and our hearts full of joy.

To those travelling, please do so safely and return to us in good health.

Our CFF family has grown over the past few months and much more growth is expected in the upcoming year 2025.

The second CFF Regional Championship Division has kicked off successfully.

The Gansbaai LCFA has come on board and has completed their Challenge Cup competition with their league season kicking off in

February next year.

The JFFC will also kick off in February 2025 with already 11 clubs showing their intention to get involved.

We look forward to a fantastic new year...Let's go CFF...let's work!

Gansbaai LCFA join the CFF

On Sunday 26 October, the team of the Blue Ocean Group met up with local clubs from the Gansbaai area. The clubs were adamant that they wanted Blue Ocean to administer their league.

Accepting the Blue Ocean Dynamic Standard Package, the deal was done.

The draw for the Challenge Cup was completed and the details of the upcoming league season determined.

Blue Ocean would handle all league administration duties with the AVSRA hosting a Referee Training Course in January 2025.

GVB Legends FC withdraw

Sadly the Championship Division had to say farewell to GVB Legends FC from Genadendal who were unable to fulfil logistical and player base requirements.

We hope to see them back in the fold sooner rather than later.

CHALLENGE CUP FINAL

MASAKHANE **MAIN STORY**
1 December 2024

The final between Marine United FC and Royal United FC was an exceptional final with see-sawing action from end to end. With contrasting styles of football, it was a pleasure for all in attendance (and it was packed) to witness.

Marine United FC was under a lot of pressure in the first quarter of the match, but managed to resist a determined Royal United FC outfit.

With the blink of an eye, the Marine United FC striker managed to put two past the hesitant Royal United FC keeper who found himself out of position and in no mans land to defend his goal.

However, the Stanford boys hit back and managed to actually take the lead and lead 3-2 with 20 mins left when Marine United FC equalised to make it 3-3.

As it materialised, it would end in spot kicks. With Marine United FC taking the honours by 4-3 on penalties.

Well done to all teams that make the competition the success it was. The League will kick off in February 2025.
